**DECISION AND REASONS OF THE COMMITTEE: APPLICATION GRANTED
DÉCISION ET MOTIFS DU COMITÉ: DEMANDE ACCORDÉE**

The Committee, having considered the evidence presented and reviewed the plans and correspondence on file, and having had regard to the matters set out in Section 51(24) of the Planning Act, R.S.O. 1990, c.P.13, as amended, is satisfied that, in this instance, a plan of subdivision is not necessary or desirable for the proper and orderly development of the Municipality. The Committee therefore grants the provisional consent, subject to the following conditions, **which must be fulfilled within a one-year period from the date of this Decision:**

1. That the Owner(s) provide evidence (payment receipt) to the Committee that payment has been made to the **City of Ottawa** of cash-in-lieu of the conveyance of land for park or other public recreational purposes, plus applicable appraisal costs. The value of the land otherwise required to be conveyed shall be determined by the City of Ottawa in accordance with the provisions of By-Law No. 2009-95, as amended. Information regarding the appraisal process can be obtained by contacting the Planner.
2. That the Owner(s) satisfy the **City's Building Services Branch** with respect to the fire separation (demising wall) between the units, pursuant to the Ontario Building Code.
3. That the Owner(s) file with the Committee a copy of the registered Reference Plan prepared by an Ontario Land Surveyor registered in the Province of Ontario, and signed by the Registrar, **confirming the frontage and area of the severed land. If the Registered Plan does not indicate the lot area, a letter from the Surveyor confirming the area is required.** The Registered Reference Plan must conform substantially to the Draft Reference Plan filed with the Application for Consent.
4. That upon completion of the above conditions, and **within the one-year period outlined above**, the Owner(s) file with the Committee, the "electronic registration in preparation documents" for the Conveyances for which the Consent is required.

The Consent lapses one year from the date of this Decision.

All technical studies, including reports to demonstrate the adequacy of an aquifer, shall be submitted to Planning, Infrastructure and Economic Development Department a minimum of **40 working days** prior to lapsing date of the consent. Should a Development Agreement be required, such request should be initiated **15 working days** prior to lapsing date of the consent and should include all required documentation including the approved technical studies.

Please note that if a major change to a condition or conditions is requested, you will be entitled to receive Notice of the changes only if you have made a written request to be notified.
